Cisco Networking Academy NetRiders Greater China and Mongolia 2017 CCNA Competition

Below are the Round 1 NetRiders CCNA competitors who are invited to advance to the CCNA Round 2.

Round 2 is on Saturday, 29 July 2017.

According to the rules, up to five (5) top scores from each participating academy with a minimum % score after Round 1 are invited to advance to Round 2 on 29 July. Five scores from Round 2 (minimum % score) will advance to the final Round 3 which will be held on Saturday, 14 October 2017. (See rules for details).

If your academy had more than 5 students compete in Round 1 but the list below does not have 5 students listed from your academy, it is because:

- There were not 5 students from the academy who met all the eligibility requirements (see Official Rules for details but the key for CCNA was currently enrolled in or have completed in the last 10 months a level 3 or 4 CCNA course), and/or
- There were not 5 students from the academy who scored the minimum % score on the Round 1 exams

For more details on all the rules for this competition, as well as the frequently asked questions, please visit the Greater China and Mongolia regional page on <http://www.AcademyNetRiders.com>.

This list is alphabetical by country, then alphabetical by academy and then in 1-5 rank order within the academy. We do not provide actual scores, only rankings. **This list is only for those who achieved in the top 5 and are invited to advance to CCNA Round 2 on Saturday, 29 July** at designated locations in each country.
